**Wayne James' Seasonings for Men** is an all-natural, "quick-fix," herb-and-spice blend by *Manly Manners* author, fashion designer, lawyer, and former senator Wayne James. Formulated for the modern man, the seasoning-blend is based on a guarded recipe that has been in the James and Messer families of St. Croix, Virgin Islands, since the mid-1700s.

**Uses:** Season fresh salads, potato salad, salad dressings, soups; as a preparatory seasoning for grilled vegetables. Also for flavoring dips, steamed, sautéed, or boiled vegetables. Excellent for flavoring Bloody Marys. A fix-all, "tweaking-seasoning" to improve the overall flavor-profile of vegetarian dishes.

**Directions:** Sprinkle onto salads or use for flavoring salad dressings; season soups while cooking. Sprinkle on vegetables before grilling and allow to dry-marinate for approximately 15 minutes before cooking. Great for boiled or steamed vegetables during or after cooking.
